WILD!

NCPL brought the animals to the kids with a series of visits from **Hedgehog Hannah** and friends. These Wolf Lake Elementary students enjoyed meeting a wide variety of exotic animals from an arctic fox to an albino Burmese python.

NCPL's new room reservation software starts in January

It is hoped that reserving a room at all three NCPL branches will be easier with new software beginning January 2, 2018.

Room reservations can be accessed through the NCPL library website at www.myncpl.us As before, the rooms that require the $50 non-refundable fee (private events) will need to be paid at the branch of the requested room before the booking is finalized. NCPL staff can help with this new process.

All NCPL branches will be closed Monday, January 1 for New Year's Day
