Help with the celebration! Join TEAM 100

The Noble County Public Library will be celebrating 100 years of library service in May of 2014 and is inviting the public to get in on the planning.

celebrating
100 years
noble county library services

Representatives from all three of our library communities (Central, East and West) are welcome. **TEAM 100** will be included in every aspect of planning the birthday cele-

bration.
An initial meeting for the formation of **TEAM 100** has been set for Monday, April 8 from 6:00-7:00 p.m. in the lower level Cole Room of the Central branch at 813 East Main Street in Albion.

NCPL wishes to have a well-rounded group of all ages that include people with library memories of the past as well as those who have a vision for the future with many levels of involvement and skill sets.

Keep up with **TEAM 100** news through Facebook, local newspapers and the library's monthly newsletter. If it is more convenient to have the newsletter emailed to you each month, request it at any branch by phone or in person. Any questions can be directed to NCPL director Sandy Petrie by phone at (260) 636-7197 or email spetrie@nobleco.lib.in.us

Humane Society Meet & Greet

Many of you know that we were thinking about adopting a cat for the library, but decided against it for the sake of our patrons and employees with cat allergies. We still strongly support pet adoption and have invited the **Noble County Humane Society** to present a special program on **Saturday, April 6 at 1pm at**

the Central Library in Albion. The shelter will bring some of their adoptable pets for you to meet and enjoy, and also discuss the adoption process. You may even be able to adopt a pet that day! The younger crowd will have a chance to pet the animals while they enjoy a special story time with children's librarian Kelly Parks.

Additionally, our teens have been busy working on pet blankets that will be donated and presented to the shelter during this special event. Even if you don't intend to adopt a pet that day, please join us to show support for the **Noble County Humane Shelter** and the services they provide to our furry friends in need.
