Summer Reading begins in June

NCPL's Adult, Teen and Children's Summer Reading programs and reading contests will begin Monday, June 5th.

In keeping with this year's theme, ***"Building a Better World,"*** the communities of each branch will have a chance to vote on one of three library-enhancement prizes at their local branch. Each book (including audio) and magazine checked out will be worth a vote!

No registration is necessary to participate. Contact your local branch for questions regarding the adult, teen and children's reading contests and programs.

Charming!

What do a drill press, driftwood, shells, sea glass, and charms have to do with each other? They all came together to make beautiful wind chimes at a recent **Craft Therapy** class at **NCPL West** in Cromwell. NCPL library board member Gwen Jones tries her hand at the drill press while Fran Lortie seems pleased with her end result.

All NCPL branches will be closed Monday, May 29 for Memorial Day
