WHERE COMMUNITY CONNECTS

# ABOUT US

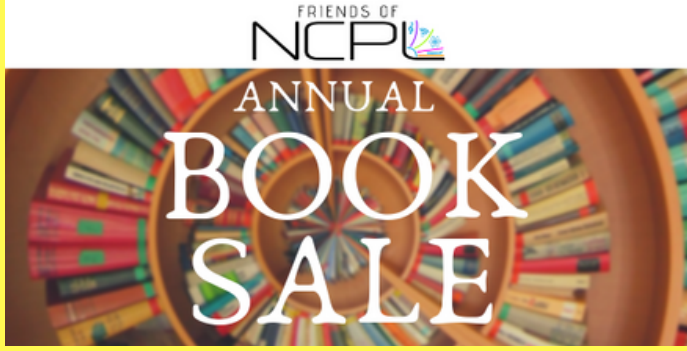

As Friends of NCPL you not only help to provide support the library needs to continue offering its existing services, but you help ensure the future expansion and growth in book collections, media collections, programs, and events for your library community.

The Friends of NCPL in Noble County Indiana is a Sec. 501 (c) (3) organization, and your membership is FREE.

# PROJECTS

The Friends of NCPL group offers many opportunities to support your library and community. To date, the Friends have installed and maintain 7 Little Free Libraries around Noble County, have hosted various fundraisers including yearly book sales, and given away hundreds of free books to the community.

The group has recently provided funding for "Comfort Cabinets" at each NCPL branch, which provide free hygiene necessities for anyone in the community to take.

# JOIN US!

The Friends of NCPL meet on the 3rd Thursday every other month beginning in January. See NCPL's Facebook page or [www.myncpl.us/friends](http://www.myncpl.us/friends) for event and meeting information.

During their meetings, the Friends will brainstorm new fundraising ideas and volunteer opportunities. They will get to glimpse "behind-the-scenes" at upcoming library events and services, and offer new and exciting ideas for the future of the library.

Join us at the next meeting to see how your talents can help!

Detach on the dotted line and give to an NCPL Staff member!
