# library happenings

Included in the **Libraries of Noble County** organization, **NCPL** again participated in the 11th annual KidCity event held at the Noble County Fairgrounds in August.

In keeping with this year's booth theme, "Winter in August", participants played in artificial snow, checked out an igloo made of plastic jugs, read winter-themed books and made snowmen from homemade molding dough. They also received an ice pop.

KidCity serves as a place to educate and inspire youth from all over northeast Indiana. The event is staged in a pseudo-city made up of five neighborhoods. Each neighborhood is filled with fun, tangible learning experiences for tots through middle-school kids and their families.

**Look for it next year!**

## Craft Therapy

WHERE ART MEETS SANITY...

The popular **Craft Therapy** classes are held monthly. August class members assembled scented candles in Mason jars (right). Look on page 3 for a list of remaining **Craft Therapy** classes for 2015.
