

MONEY SMART WEEK®

APRIL 15 - 21

This week-long, free virtual campaign aims to help people better manage their personal finances with a focus on tools for low and moderate income communities.

Live events will include sessions on budgeting, debt relief, employer retirement plans, and a Spanish language session on financial institutions.

These virtual events are free and open to the public, but registration is advised. View more details at www.moneysmartweek.org.
