

NCPL'S 2026 WINTER READING FOR ALL AGES

S'MITTEN WITH *Reading*

JANUARY 5 – FEBRUARY 14

Instructions:

Track Your Reading

- Check off one space on your mitten reading tracker for every 20 minutes of reading.
- 1 completed reading tracker equals **4 hours** of reading. Way to go!
- Each completed reading tracker you turn in by **February 14th** enters the **Grand Prize drawing**, up to three entries per person.
- **Don't forget to select which Grand Prize you would prefer to win on your reading tracker!** The options are listed down below.

Help Us Build Our Snowman

The Library has a plain snowman—he needs some accessories! For every **100 hours** of reading that our patrons submit, our snowman gets a new accessory. Help our snowman bundle up by submitting your completed reading trackers!

If we reach our community goal of **1,000 hours**, the library will purchase a new *Library of Things* item for each NCPL branch!

You can vote on which item you would most like to see in the *Library of Things* each time you turn in a reading tracker! **Don't forget to put a check next to your favorite *Library of Things* item on your tracker!**

Grand Prize Options

- **Board Games Prize:** *Get Your Game On with This Fun Collection!*
- **Cabin Fever Prize:** *Beat the Boredom with Brain-Busting Fun!*
- **Cozy Prize:** *Cozy up with a Dragon's Hoard of Comfort!*

Check off one space on the mitten for every 20 minutes spent reading.
