

General Policies- Introduction

Purpose:

The Noble County Public Library (Library) General Policies support the Library and its vision, mission, and core values by defining the methods and procedures by which the Library operates. It guides decision-making and communicates the guiding principles to Library staff and the public. Where these policies conflict with Federal or State law, such laws will take precedence.

Vision:

Where Community Connects

Mission:

Our mission is to enrich the lives of the people of our community with education, entertainment, and service.

Core Values: Belonging | Excellence | Enthusiasm | Collaboration | Resilience

Belonging

We offer welcoming and beautiful spaces where we can celebrate our similarities and differences.

Excellence

We cultivate irresistible, high-quality resources and experiences that enhance the lives of our community.

Enthusiasm

We make things happen together, working off each other's strengths to dream big and put our ideas into motion.

Collaboration

We support each other, our community, and other libraries by sharing ideas and reaching out with a spirit of cooperation.

Resilience

We embrace change, adapting and evolving no matter what trials we face.
