

NCPL UPDATES:

NEW COVID TESTING SITE: The Noble County Health Department has closed the Albion vaccination site at the Noble County Public Library. On Friday, July 2, they will transition to become the Noble County COVID testing site. This site was formerly housed in Kendallville's CLC (Community Learning Center). NCPL Albion will be the COVID testing site for the remainder of 2021. Entrance will be at door #6 at the rear of the library.

ROOM RENTAL AVAILABILITY: NCPL has begun taking reservations for their meeting rooms on a limited basis and will continue to do so until the end of 2021. Call your branch to talk to an administrator about room rental, availability and costs.

NCPL Albion's staff toughed out the heat on this year's Chain 'O Lakes parade float.
