Naturally FUN!

Avilla's first after school program of the year was a nature walk at the library! Collecting pieces of the natural world as they went, the kids went back to the library and fashioned works of art on paper with their items.

Hogwarts Halloween

All day October 31 at the Albion branch!

We're celebrating the holiday by bringing a little magic to your trick-or-treating festivities! The NCPL Albion branch will be transformed into "Hogwarts" for the day! Harry Potter-themed activities and treats will transpire, including being sorted into your houses, wand-making, HP-themed bookmarks, and more.

All staff members will morph into your favorite characters, and "Honeydukes Sweetshop" will feature your favorite Potter-themed treats.

Whether you like the books or not, there will be something for everyone and if the weather is too cold for trick-or-treating, you'll be sure to find plenty of treats at NCPL.

Don't forget to dress up as your favorite Harry Potter character for added fun!

The day will also include continuous streaming of Harry Potter movies, so patrons should be aware that it will not be a quiet day at NCPL Albion!

Wish to receive the newsletter by email? See our website!

All NCPL branches will be closed October 8 for a staff in-service
